

Gardner & Wife Theatre brings you the extremely exciting world of

Jim West's DINOSAURS!

Get ready to hang out with Brachiosaurus, and hobnob with T- Rex!

Master puppeteer Jim West returns to delight us with classical music, dino-puppet making ideas and fun facts about dinosaurs in an engaging and funny performance for children ages 4-12.

The show is in four parts: Building a Tyrannosaurus Rex; a shadow tale about the Overaptor; a story about a little Brachiosaurus; and the finale, the construction of a huge Apatosaurus - all performed with a rich musical score by Mozart, Beethoven, Mahler, Stravinsky and Prokofiev. In-between the sections, our host, Fossil (the Dinosaur detective), interacts closely with Jim as he searches for his identity and exciting, new dino facts!

Jim West Puppets' DINOSAURS! shows at PJ Live Arts from 22 November -11 December 2011.
